Here Are Some Interesting Values

We are putting prices on a lot of odd coats in the season's best styles that will surely be of unusual interest to those in need of a good warm coat. If you want a coat, you surely will not have to think of the price, for it is so small for the quality that it hardly amounts to anything when you consider how good a value you have got. We are putting these prices on such good merchandise to clean them up at once to make room for new goods which are now coming in very fast. Notice the prices we are making and then come right in and see the coats.

Coats at Only \$2.98

We are putting about 20 Coats, in qualities at from \$10.00 to \$27.00, to clean up at only \$2.98. These are odd Coats in qualities that are the best. They are, many of them, our season's best values, that have for some reasons not been sold. There are no two alike. The colors are Blue, Brown, Black and Green, in medium sizes. To clean up at only \$2.98.

On one rack are also a lot of odd Coats in good sizes; colors, Tan, Brown, Blue, and Black. Prices from \$10.00 to \$20.00; now to close at \$4.98. These are good Coats to buy for next season.

We are making these prices to clean the stock up at once, to make room for our full line of spring Suits, which are now coming in every day. We want the room, and you can save some good money.

Ladies' Tailored Suits

We also have a few odd Suits in the season's best styles and qualities. Are in good qualities, and the styles are not so bad for spring wear. These Suits are all put in at two prices, which are \$6.98 and \$9.98. Are Suits that sold at from \$15.00 to \$27.50. Look over these values in the next few days. We must have the room.

We are now showing a good, large assortment of the new spring Suits, that are made up in a large variety of the best cloths. Black and White Checks are to be very good; in fact, the best for a number of seasons. Blue will be very strong, both Navy and Copen. Tans and Reseda Green also hold a prominent position.
